Equality and Diversity Policy

1. Our Vision and Aims for Equality and Diversity

‘We will treat everyone at Pulford Lower School fairly, celebrating difference and meeting different needs so that all members of our school community are free to live, learn and enjoy’

Pulford Lower School is committed to:

- Tackling discrimination on the grounds of age, disability, gender identity (gender reassignment and transgender), pregnancy and maternity, race, religion or belief, sex (gender) or sexual orientation (in relation to age the focus is about their employer function and not their school duties)
- Advancing equality of opportunity
- Creating good relations between different groups

2. Defining Equality and Diversity

2.1 Equality

Equality is about fairness and equality of opportunity and advancing equality of opportunity involves treating people differently. People should not be treated the same. Some people may need extra help or adjustments to be part of the school community; this includes teachers, administration, cleaning or catering staff employed at the school as well as pupils/ students, parents and school governors.

Relating to the Equality Act 2010 there are nine ‘protected characteristics’ these are age; disability, gender reassignment [transgender], marriage / civil partnership, pregnancy / maternity, race, religion and belief (and having no belief), sex (gender) and sexual orientation.

Under the general duty schools must exercise ‘due regard’ in respect of each of the eight protected characteristics (excluding marriage and civil partnership) to:-

1. Eliminate unlawful discrimination and harassment
2. Advance equality of opportunity
3. Foster good relations between different groups

2.2 Diversity

Diversity is about valuing people as individuals and learning from our differences. Our differences can be visible and non-visible. Promoting diversity we can meet different needs creatively to ensure opportunities are available to all and potential is fulfilled. Promoting a diversity friendly school culture we are able to meet our school's aims and objectives more efficiently.

Culture is about the way we behave towards one another – school governors, all employees in the school, parents, pupils and the whole school community. It is about how we treat one another and respect our differences. Promoting diversity and a diversity friendly culture helps to create a more productive school community.

3. Purpose and Scope of the Policy

This policy sets out Pulford Lower School's commitment to promoting equality and diversity.

We believe that it is our responsibility to promote equality and diversity wider than the nine characteristics (areas) covered by legislation. We work to remove barriers and we will not unfairly discriminate on any grounds.

We do this by:

- Using a Circle of Friends for vulnerable children to ensure children feel happy, safe and secure around school.
- Providing a curriculum, which promotes positive understanding of different characteristics, recognises the contribution that individuals and groups with protected characteristics make to society, and challenges stereotyping and discrimination.
- Monitoring and reviewing this policy and reporting biennially on progress in the information we publish to evidence how we are meeting the requirement of the public sector equality duty (see equality statement).
- Undertaking other activities and measures as outlined in this policy document, our published information and other relevant documents.

The policy applies to:

- School governors
- Staff
- Parents
- Pupils (as appropriate)
- Contractors
- Visitors to the school

- Ensure pupils and visitors to our school are clear about the expectations relating to our commitment to promoting equality and diversity

6. Bullying and Diversity incidents

6.1 Pupils

Pulford Lower School believes all pupils should be safe and feel valued for themselves, whatever characteristics they may have. Bullying and harassment of pupils, staff, parents, visitors and/or contractors by pupils on the basis of their identity (including a perceived characteristic, and by association with a protected characteristic) is unacceptable. Incidents will be logged, investigated and appropriate actions taken to prevent future incidents and to support the victim as outlined in the anti-bullying policy.
