Update

Dear Parents

Wow! What a week we have all had. I would like to take this opportunity to thank parents and staff for their resilience and their spirit of working this through together.

Google Classroom seems to be working well. The inevitable teething problems have been dealt with quickly by the front office team who remain contactable to all parents who need any further help. These are challenging times, especially for our children, but they are making a great effort to learn remotely.

We are pleased to have received a huge amount of positive feedback from parents, thanking the school team for the provision we are offering. I would like to thank you for that; it is really encouraging.

We continue to record worship live on Facebook at 10am. If you have not done so already, please click the 'like' button on the school website homepage and join us! These will stay on our page so that you can catch up at any time.

Through this time of uncertainty it is important that we all look after ourselves and those around us. So may I remind everyone to keep to the current guidelines in order to keep our whole school 'family' as safe as we are able. If your child has to attend school, please remember to keep social distance at drop off and pick up times. Also, if member of your household is displaying COVID-19 symptoms and/or are awaiting test results please keep your child at home as per Government guidance, keeping the school informed at all times.

In worship today we heard 'Be bold, Be strong' so I leave you with these words from Joshua 1 verse 9:

*“I hereby command you: Be strong and courageous;
do not be frightened or dismayed, for the Lord your God is with you wherever you go.”*

Let's keep positive, keep being kind and considerate to each other.

Have a restful weekend.

Dave Heather.

“love to learn, learn to care”
