Looked After Children Policy

Introduction

The governing body of Pulford Lower School is committed to providing quality education for all its pupils, based on equality of opportunity, access and outcomes. This governing body recognises that, nationally, there is considerable educational underachievement of children in residential and foster care, when compared with their peers, and is committed to implementing the principles and practice, as outlined in the statutory local authority guidance “Promoting the education of looked after children and previously looked after children” (February 2018).

Objectives

- ensure that school policies and procedures are followed for LAC as for all children
- ensure that all LAC have access to a broad and balanced curriculum
- provide a differentiated curriculum appropriate to the individual’s needs and ability
- ensure that LAC pupils take as full a part as possible in all school activities
- ensure that carers and social workers of LAC pupils are kept fully informed of the child’s progress and attainment
- ensure that LAC pupils are involved, where practical, in decisions affecting their future provision.

Definition

‘Looked After’ is a term that refers to children for whom the Local Authority is sharing parental responsibility. This can happen either with parental agreement or when a Court makes a Care Order. The child may be living:

- with foster carers,
- in a residential unit,
- with family members or sometimes with their parents.

These children are therefore subject to corporate parenting.

Looked After Children may (or may not) have some of the following issues:

- low self esteem
- poor education standards due to time out of school
- delayed social/emotional/ cognitive development
- be bullied or bully others.
- be prone to mental health issues

- be isolated with few friends
- have behaviour issues.
- poor attachments to others.
- have a need to be very private

This makes them an extremely vulnerable group in terms of education and future life-chances.

The governing board of Pulford Lower School is committed to ensuring that these children are supported as fully as possible and will ensure that the following are in place, and are working effectively:

- a Designated Teacher for Looked After Children – Mrs Rees
- Personal Education Plans for all Looked After Children.
- all staff have a clear understanding of confidentiality and issues that affect looked after children.
- effective strategies that supports the education of this vulnerable group.

Responsibility of the Head teacher

- Identify a Designated Teacher for Looked After Children, whose role is set out below. It is essential that another appropriate person is identified quickly should the Designated Teacher leave the school or take sick leave (Mr Heather).
- Ensure that procedures are in place to monitor the admission, progress, attendance and any exclusion of Looked After Children and take action where progress, conduct or attendance is below expectations.
- Report on the progress, attendance and conduct of Looked After Children to all parties involved.
- Ensure that staff in school receive relevant training and are aware of their responsibilities under this policy and related guidance.

Role and Responsibility of the Designated Teacher

The Designated Teacher should:

- be an advocate for Looked After Children;
- when new to the school, ensure a smooth and welcome induction for the child and carer and note any specific requirements, including care status;
- ensure that a Personal Education Plan (PEP) is completed, as soon as possible. This should be prepared with the child and the carer, in liaison with the social worker and other relevant support workers/agencies, and be linked to the Care Plan meetings, within 28 days, 3 months and 6 months and, at least, every 6 months;
- keep PEPs and other records up to date, particularly in time to inform review meetings;

Role and responsibility of the Governing Board

The governing board of this school will:

- ensure all governors are fully aware of the legal requirements and Guidance for Looked After Children;
- be aware of whether the school has Looked After Children and how many (no names);
- ensure that there is a named Designated Teacher for Looked After Children;
- liaise with the Head Teacher to ensure that the Designated Teacher is enabled to carry out her/his responsibilities in relation to Looked After Children;
- support the Head Teacher, Designated Teacher and other staff in ensuring the needs of Looked After Children are met;
- nominate a governor who links with the Designated Teacher, receives regular progress reports and provides feedback to the governing body (These reports should not include any names of individual children for child protection and confidentiality reasons). Mrs Morley is the named governor and also reports on children with SEND, EAL and Pupil Premium children.
- review the effective implementation of this policy, preferably annually and at least every three years.

Confidentiality

Information on looked after children will be shared with school staff on a “need to know” basis. The Designated Teacher will discuss what information is shared with which school staff at the PEP meeting. Once this has been agreed with the social worker, carer, young person, and other parties, complete confidentiality is to be maintained.

Record keeping and information sharing

The Designated Teacher will keep an up-to-date record of Looked After Children and Young People in school and will ensure that relevant information is made known to appropriate staff. A Personal Education Plan (PEP) will be initiated within 20 school days of the Looked After Child or Young Person starting at the school or being taken into care and will be reviewed regularly and as necessary and appropriate to meet the needs of the Looked After Child. The PEP will provide a regular opportunity to review progress, note any concerns and ensure that all relevant parties are informed accordingly. Copies of reports and appropriate documentation will be sent to authorised carers and agencies involved with the child as well as any receiving school at point of transition. It is vital that the Looked After Child is aware of information being recorded, in what circumstances and who will have access to it. How this is shared with them will depend on their age and level of understanding.

Arrangements will be made to ensure that the Designated Teacher is kept up to date with developments relating to the education and attainment of Looked After Children.

Other staff will receive relevant training and support to enable them to work sympathetically and effectively with Looked After Children.

Teachers with responsibility for Special Educational Needs provision and for children who are ‘more-able’ will be informed of those Looked After Children who have particular abilities or learning needs and will work with them appropriately.

Home-school liaison

The school recognises the value of a close working relationship between home and school and will work towards developing a strong partnership with parents/carers and care workers to enable Looked After Children to achieve their potential.

Parent/Carer Consultation Meetings as well as PEP and Care Plan review meetings provide opportunities to continue to develop this partnership working.

Monitoring and Evaluation

LAC will be regularly monitored in school as well as with the relevant outside agencies. This policy will be monitored in line with the whole school policy with any relevant initiatives and reviewed every three years.
