

## **PTA Newsletter 21/4/21**

Thank you to everyone who attended our Zoom meeting, it was great to get some fresh ideas!

### **Football Festival – Save the Date**

We have been asked by the school to help with the set up/ take down, refreshments and food for the upcoming football festival which is on Saturday 3<sup>rd</sup> July (pending change in Government guidelines).

There will be a BBQ selling hot food as well as refreshment stands. We welcome over 11 different teams from various schools around Leighton Buzzard and surrounding areas to the event, so for the school it's a great way of fundraising.

We can't have these stalls available for everyone who attends without help from Pulford families, just an hour or two of your time is all we are asking for. The more people we have volunteering their time to man the stalls, for set up and take down, the more successful we will be.

If you are able to commit to some time on the 3<sup>rd</sup> July, please keep the date free. We will send out a google form to ask for your help.

Thank you to everyone who has asked for a board to go outside their house advertising the event, we appreciate all the support, and are delighted to say Quarters are sponsoring the event for us once again.

### **Year 4 Hoodies**

FINAL CALL - if you would like a hoodie or would like your child's name added to the back of the hoodie – contact Karen on 07528978364. We need them all by the Friday 30<sup>th</sup> as that's when the proof of the hoodie will be designed and then the orders can be processed.

### **Football Kits**

Lisa Davies has worked tirelessly to get these, but unfortunately with problems with suppliers we will be unable to get any kit at this time.

We have therefore made the decision to refund everyone who has already paid for a kit. A cheque will be issued to those who have paid in due course.

Help on Saturday - A marquee is being delivered this Saturday to school and we need some help getting this set up. If you're at practice tomorrow and are happy to lend a hand we would be most grateful!

**Tea Towels**

These have now been designed in school and will be sent off to be scanned and a proof sent back, watch for your emails on how to order in the next couple of weeks!

### **Virtual Balloon Race**

We have joined a virtual balloon race!

This race will be launched on the 2<sup>nd</sup> June and lasts a week! You can login and watch your virtual balloon race live. Top prizes include £500 cash and an iPad!

These cost £3 each and you can name and design your own balloon to race. So all the budding scientists, engineers in the making will love designing the material and shape of the balloon - all taking into account the weather conditions predicted for 'race day' to see if yours can travel the furthest.

Follow the link below to purchase your balloons and good luck!
