#### **PUPIL PREMIUM STATEMENT 2021-22**

The Pupil Premium is a grant allocated to schools. Allocation of the money is based on a number of factors but the main criterion is eligibility for free school meals either now or in the past; children who are or have been in care; children whose parents are in the regular armed forces. It is intended to raise the attainment of disadvantaged pupils of all abilities to reach their potential and to support children and young people with parents in the regular armed forces.

The school uses DFE guidelines

https://www.gov.uk/government/publications/pupil-premium-conditions-of-grant-2018-to-2019/pupil-premium-2018-to-2019-conditions-of-grant

The grant is broken down into slightly different categories:

**Ever 6 FSM**- The pupil premium for 2021 to 2022 will include pupils recorded in the January 2021 school census who are known to have been eligible for free school meals (FSM) since May 2014, as well as those first known to be eligible in January 2020. Those who become pupil premium subsequently will appear in the 2022 census.

Children adopted from care or who have left care -the pupil premium for 2021 to 2022 will include pupils recorded in the January 2021 school census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order (previously known as a residence order). These are collectively referred to as post-LAC in these conditions of grant.

• Ever 6 Service child-For the purposes of these grant conditions, Ever 6 service child means a pupil recorded in the January 2020 school census who was eligible for the service child premium since the January 2015 census as well as those recorded as a service child for the first time on the January 2020 school census.

### Allocations are as follows:

- £1,345 per pupil for each Ever 6 FSM FTE pupil aged 4 and over in year groups reception to year 6, except where the pupil is allocated the LAC or post-LAC premium
- £2,345 per pupil for each post-LAC in year groups reception to year 11
- £310 for each pupil aged 4 and over in year groups reception to year 11 who is either Ever 6 service child FTE or in receipt of pensions under the Armed Forces Compensation Scheme (AFCS) and the War Pensions Scheme (WPS)

In addition for 2021 to 2022, pupil premium eligibility is being extended to pupils eligible for free school meals under the temporary extension set out in the coronavirus (covid-19): temporary extension of free school meals eligibility to NRPF groups guidance. As these pupils are not registered as eligible in the school census, eligible schools will need to make a claim for additional pupil premium funding for these pupils. Further details on the claims process for these pupils will be published in due course (announced September 21).

Due to the COVID 19 pandemic figures are used from the October 2020 census. As we had 20 children on the register at that time, this year we expect to receive £ 29,865, based on £2,345 for CLA (Child who is Looked after by the Authority or Post LAC - Children who have ceased to be looked after by a local authority in England and Wales because of adoption, a special guardianship order, a child arrangements order or a residence order) and £1,345 for other eligible pupils, in addition there is an extra £310 for Service Children. Pupil premium children make up less than 10% of the pupil population. It is important that parents inform the school if their child/children qualify for free school meals, as they will benefit from extra funding from the Government. This year there are additional grants due to the COVID 19 pandemic for schools to claim. The school is looking at full use of these as well as any additional barriers to learning that the more disadvantaged children may have suffered over Lockdown. These are reported on elsewhere. We also expect to receive an additional £2,175 as a one off recovery premium funding grant.

The qualifying benefits to receive free school meals are:

- Income Support
- · Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- the Guarantee element of State Pension Credit
- Child Tax Credit (provided you are not also entitled to Working Tax Credit, and your annual gross income does not exceed £16,190 as assessed by Her Majesty's Revenue and Customs)
- Working Tax Credit run-on (paid for 4 weeks after you stop qualifying for Working Tax Credit)
- Universal Credit (during the initial roll-out of this benefit).

If you think you may qualify call the Central Bedfordshire Helpline: 0300 300 8306

- https://www.centralbedfordshire.gov.uk/info/53/benefits/4/free school meals
- Alternatively, collect a paper form from the front office. You will need: National Insurance numbers and dates of birth for you and your partner; dates of birth for your children; if you receive support from the National Asylum Support Service, your NASS number.

There are no specific rules on how the money should be spent and it does not have to be spent directly on those children receiving Pupil Premium. It is up to each school to decide on its own

priorities. However, each year those children in receipt of pupil premium funding grant are monitored using a provision map. Teaching staff, the SLT and Governors, monitor their attainment and progress. This is co-ordinated by the Deputy Head. Progress is tracked and intervention groups are planned for all pupils in each key stage according to their provision maps. The school is aware of extra vulnerabilities of certain groups of children so appropriate intervention strategies are selected according to the individual needs of the child. This is also reflected in our Safeguarding policy and Learning Support policy. The school is aware of the RADY project and participates in its training programme.

Barriers to future attainment (for PP pupils) Identified at the beginning of the Autumn Term:

- 1. Speech and Language development impacting on reading and writing.
- 2. Personal, Social, Emotional Development needs resulting in low confidence and weak engagement, aggression and lack of self-regulation, particularly due to COVID 19 and educational disruption.
- 3. Adverse childhood experiences (ACEs) impacting motivation, wellbeing & involvement
- 4. SEND (Cognition & Learning, ASD) needs

### Priorities:

- (i) Prioritise early intervention to remove barriers to learning as early as possible.
  - Early Years Profile Outcomes PP pupils make rapid progress form their starting points
  - Use of intervention where necessary, Some EYFS & KS1 staff are trained in Lift off to Language and speech sounds 3 members of staff are ELKLAN trained speech and language champions
  - Year 1 pupils attain in line with National expectations in phonics check.
- (ii) Track progress of PPG pupils rigorously across all year groups.
  - Termly Intervention trackers are completed to ensure identified barriers to learning are regularly reviewed.
  - Following data analysis staff ensure that targeted children are receiving interventions.
  - Impact analysis informs change in approach where appropriate.
  - Outcome targets for 2022 are achieved.
- (iii) Ensure high quality 'first wave' Teaching, Learning & Assessment.
  - Teachers are clear about PPG pupil's ambitious targets and these inform lesson planning and differentiation in daily class activity.
  - Teachers are confident about curriculum content and how to support pupils to achieve 'expected and 'greater depth' standards.
  - Teachers are being trained in maths mastery.

- Quality First teaching supports meta cognition, feedback and confident self-assessment and independent editing/correction.
- Outcome targets for 2022 are achieved
- (iv) Diagnostic and effective use of Teacher and TA intervention to support rapid progress.
  - Key stage provision maps are developed by teaching staff to make effective use of interventions to address identified learning needs and gaps in understanding.
  - Impact is reviewed regularly.
- (v) Tackle the Social, Emotional and self-confidence barriers identified.
  - Leuven scales and Boxall profiles may be used to indicate that pupils accessing SEMH specific interventions and enrichment support make progress with wellbeing, become more engaged and self-confident in their learning journey.
- (vi) Tutoring using COVID catch up funding has been implemented for targeted children

In line with our Privacy Notice, we collect and process data to support pupil learning and to comply with our statutory obligations to the DFE and the LA. At Pulford, we have agreed that the money will be used as follows:

| Strategy/resource   | Rationale  | Target<br>groups   | Proportion<br>of costs<br>taken from<br>PP Grant | Intended impact   |
|---|--|--|--|---|
| Development of a Maths Mastery approach supported by external Mastery Specialists. | TA intervention groups such as: Social skills/ emotional wellbeing groups; Anger management groups; Occupational therapy groups; working memory; speech and language targets.  | sutton trust toolkit evidence recommends Social and Emotional learning as an effective strategy.  A high proportion of PPG pupils in our school have this area identified in their top three barriers to learning.  Many of the PPG children also have an additional need (40%). | Targeted PPG<br>and SEND<br>children  | Proportion<br>used for<br>PPG £1,260 | Children will achieve their individual targets leading to increased self-awareness, involvement and raise academic standards. Children will begin to demonstrate the social communication and interaction skills to play and learn with peers, showing skills such as waiting, turn taking, listening, sharing and cooperating. Children will recognise and learn to manage feelings and emotions. |
| Externally provided services - LC2 provide a bought in service at Tier 1 support, which the school buy into. Some children also have SEND so Educational Psychology or SEND screening programmes are purchased as necessary. | SEMH intervention early ensures pupils build resilience and engagement required for learning as they move up the school.   | Children with SEMH, Attachment issues, or children with difficulties with Cognition and Learning. | £828                                 | Improved Boxall profiles, Leuven scales, and Teacher/TA assessment indicate that pupils accessing SEMH specific interventions and enrichment support make progress with wellbeing, involvement and self-confidence.  |

| Chess club  | To promote inclusion, raise standards in logical thinking.   | Offered to all<br>year 4<br>children    | Free to children, staff costs to school £100  | Inclusion   |
| Year 4 drama  | Arts participation is defined as involvement in creative activities, such as drama - additionally the EEF have identified improved outcomes in english, mathematics and science. To promote inclusion, cultural capital and to take part with confidence and listen to others and cooperate. | Offered to all<br>year 4<br>children    | Free to children, staff costs to school in proportion to PPG children taking part £320, copywrite fees covered in ticket sales and refreshmen ts. | Inclusion (COVID<br>19 allowing)  |
| Additional SEND<br>support/intervention<br>groups e.g. Sounds-<br>Write   | Sounds-write is one of the multi-sensory phonic programmes recommended by the Educational Psychologist team to help children with Literacy difficulties.   |   | £4,629  | Targeted children to pass phonics tests and re-takes. Number of phonemes that children are able to read & write improves. |
| Resources such as those purchased for children with attachment issues/anxiety over covid, divorce, bereavement etc. | To promote awareness of feelings and emotions.   | Whole school<br>approach<br>during PSHE | £82   | Increased knowledge and understanding of feelings and emotions leading to increased resilience and self- knowledge.       |

The school spends over and above its income on vulnerable children who are pupil premium recipients. \* Many children needing help have come onto the PP list subsequent to the January census. These children will be provided with additional support this year using existing resources and the governments' £80 per child.

This table shows the attainment for those PP children working on National curriculum targets:

2019-20 and 2020-21 NB due to COVID 19 national tests did not take place, all data is internal and based on whole school setting achievement in March 2020 when schools were closed. With low numbers one child can represent e.g.20%.

This statement is reviewed annually – next review due September 2022.

Tessa Rees, SENDCO & Deputy Head, September 2021
