## Help needed

We are still looking for class representatives to assist the PTA. If you can spare some time please let us know. We need representatives in all classes apart from Elm & Beech. You will need to have a child in the class you are representing. The role involves communicating with Kiran our Class rep coordinator and parents / carers of that class to keep everyone updated of upcoming fundraising events and encourage volunteers when required. If this is something you are interested in please attend the next PTA meeting to put yourself forward. We look forward to seeing many of you there!
