Dear caregivers,

We hope you had a wonderful half time with your families and were able to enjoy the time off in your own ways!

Thank you to those who were involved in donations to the Bags 2 School drop on 1 November! We had a great turnout and are excited to announce the totals in our next newsletter!

We have exciting Christmas news! We are allowed to talk Christmas now Halloween is over! Please scroll down to read more about our event!

We really need donations towards the Christmas Event, Christmas outdoor lighting, Cakes nearer the time, and mostly volunteers to help us run the event! If you have time in the day to assist the set-up, we really will require the manpower for this one, and to help the children get the most out of the event, elves are required.

We are also excited to announce the all-weather play area between KS1 and KS2 was completed over the half term break and hope the children enjoy using this new space.

Warm regards,

Lisa  
Chair of the PTA

### Fundraise for the School

The Leighton Linslade Rotary Club are doing the traditional Santa visit around Leighton! They have offered the PTA to be involved to help collect donations towards the local charities and a percentage to the school itself on Monday 12 December at 6pm prompt!

This is a super fun activity to be involved in and the PTA would highly benefit from your participation.

Volunteers must be over 14 years old and be able to walk approximately 4km around Leighton Buzzard. Unfortunately, no pets or dogs allowed.

Please email the PTA on [pulfordpta@gmail.com](mailto:pulfordpta@gmail.com) to support the walk.
