Pulford Lower School Latest News

www.pulfordschool.org

It was fantastic to have the whole school come together for our start of term worship in church on Wednesday. What a joy to see even our littlest pre-school children smiling and clapping along.

I would like to officially welcome our new pre-school families to Pulford along with Mrs Thompson and Mrs Wilson-Redding who have joined our staff team.

Mrs Rees.

Philippians 4 v 19 'My God will meet all your needs according to His glorious riches in Christ Jesus.'

Pre-school Drop In - Prospective new pre-school families are invited to a drop in session next Tuesday (17th) between 3.45-4.15pm. Head towards the white door on the hill. If you know anyone who may like to visit/apply please pass this on. Just turn up—no need to book. Thank you.

Pulford Pirates update - Mr Lee and Mr Kent will be leading our Pulford Pirates over these next months. Mr Tippite will also be on site tomorrow to get everyone settled back in. Please make sure you give the guys a nice welcome.

'Watches' - Please can children only wear watches that tell the time/count steps. Those with games and/or cameras on should not be brought into school as they prove a distraction. Neither would we want them to get lost as this can be upsetting for the child and costly for the parent, which is why we ask for 'precious' items to be kept safely at home. Thank you.

World Book Day is on **Thursday 2nd March** this year. We wanted to give plenty of notice that we will be simply asking children to wear their pyjamas/dressing gowns this year. More exciting details about the day will follow nearer the time. Thank you, Mrs Horsfield.

Case of Headlice in KS2 —Please can you keep an eye out for headlice and treat your child's hair if they are found to be starting to take residency! To prevent headlice being spread please keep all long hair tied back from faces and off shoulders if possible.

Mrs Robinson (lunchtime supervisor) is collecting empty plastic tubs to help support a local animal rescue centre. If you have finished with your Christmas chocolate (Quality Street/ Roses etc) please drop them at the front office between Monday & Friday next week. Many thanks.

If you are starting to plan for a family holiday please make sure you check the link for our online diary to make sure they fall during the school holidays.
