

**'Rejoice in the Lord always. I will say it again, rejoice!'**

**Philippians chapter 4 verse 4**

We have enjoyed a wonderful week of sports and super learning. We have also welcomed the Right Revd. Richard Atkinson, Bishop of Bedford. Bishop Richard visited our school as part of his work in the diocese and spent time in classes visiting chatting with children and teachers, as well as taking part in the KS1/KS2 worship. Here he is pictured with some of the children in Reception.

If anyone has any unwanted girls or boys school trousers or joggers aged 9-10, 11-12, we would really appreciate them to be donated to school. Please hand them in at the front office.

*Thank you*

## Proud Pulford Quickstix team

This week six KS2 children took part in a development hockey tournament held at Vandyke School.

They played four games against three other schools. We saw two wins and they all played excellently across the tournament.

Mr Major says *"Their hockey skills were brilliant with some great dribbling and tackling on display. They represented our school amazingly and can be very proud of their performance!"*

## School Fundraising Concert Saturday 8th March 6pm at All Saints Church

Mr Ed Price, Chair of Governors, is leading a fundraising concert and has organised for various musicians who have previously been, or are at, Pulford to take part. It will be a really good evening. Please come and enjoy some wonderful music whilst helping to raise funds for school at the same time!

**Did you know?** Our online school calendar is updated all the time. We have our term dates, inset days, holidays, PTA events, sports events and church service dates to name but a few.

Please click here <https://www.pulfordschool.org/diary-dates/> You can view it directly from our website in table or list format. Alternatively, please subscribe to our calendar to make sure you don't miss out! It comes in google, iCalendar, and export.ics formats.

Please remember to tie up long hair away from faces in order to keep nits at bay. Also please label all property to ensure speedy return if misplaced.
