

Pulford Pirates Newsletter—The sports report!

13th February 2026

Year 1

Another great team performance from year 1 with a 10-2 victory against Mary Basset. Goals from Fredrik, Kobe and Raff helped the team to a league winning score-line. A well deserved player of the week to Raff who supported his team with great team play and fantastic goals. Great saves by Ellis, Remy and Arthur helped by strong midfield and defensive play from Hudson, Oscar, Marley and Maddox. Well done year 1 League Champs

Year 2

A great performance from Y2 this weekend with a tough 4-4 draw. Goals from Hendo (2) and Otis (2) kept Pulford in it, with chances to win right to the final whistle (arguably would of won had the opposition stuck to the max seven players). Stan was outstanding in goal with superb saves, Hendo cleared one off the line, and Man of the Match Nikolai set the tone with crunching tackles. Brave efforts from Hugo, Jamie, Delcie, Hallie and Max completed a performance to be proud of.

Year 3

Final score 6-6!

Everyone played a vital part in bringing the Bassetts to a draw. It was 5-5 at the end of 3 12 minute matches. Due to late timings Joey was going to stop it at that but seeing everyone excited and wanting to play more football he decided to go the extra game. Every player worked as a team and battled hard with an end to end thrilling game for us parents.

Harry D great positioning and keeping up the pitch giving players someone to find when it was stuck in our half. Battling against Buzz when he is a lot bigger and not being afraid.

Hector for vital tackles in the game as a defender and for going in goal, even though you didn't want to but was happy to do so to be part of the team game!

Harry L for playing in a different position and taking it in his stride putting in some good tackles and passes.

Lilianna for getting stuck in, playing the various positions and adapting well, always giving 100% to the changes. Effie for 2 strong stints in goal without being phased and wanting to stay in there with positivity was refreshing!

Lochlan for not doing too many fouls and winning the ball back.

Rory for persistent running and passing, taking the brunt of a lot of tackles the Bassetts put at him. The hunger to go again quickly when the Bassetts scored helped keep the heads up of the team!

Alice great charging down the ball and finding space on the pitch to widen and disrupt the Bassetts defence.

Well done Thomas who got player of the match for great tackling and great response time to put the goal in the back of the net. I know you really wanted to go up front and even though your back in defence, your communication taking in turns with the other defender so either one can go upfront to help out, you have naturally progressed and reading the game has improved!
