Attendance Counts – Moments Matter; Online Calendar

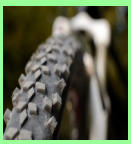

As a school community, school and parents together, we continue to focus on achieving excellent attendance throughout the school year. It is imperative that we strive for excellence in order to support the children's continued academic and emotional well-being. Our common goal is to have the children in school *every day* so they can learn and thrive in a healthy, caring and stimulating environment. We are pleased that each family signed their Home-School Agreement in order to show their support for this at Pulford.
So, please make sure you *regularly look at our online calendar and share it with any grandparents/friends* who may think about booking a 'surprise' for you. This way, they can make sure bookings are made for school holiday times only. Here's the link **https://www.pulfordschool.org/diary-dates/**

Thank you for your support. Mrs A Quick, SLT

Come on Pulfords! Let's get MOVING!

We are proud to be participating in a county initiative of encouraging more active travel amongst students and staff. Movetober week starts **Monday 5th October** so there will hopefully be an increase number of walkers, scooters, cyclists as we promote sustainable travel. Please encourage the pupils to use the scooter pods and bike shed. Park and stride is good too!

Dr Bike 5th October—Free bike MOT's for pupils & staff

On Monday 5th October, Dr Bike will be visiting our school. Children will have the opportunity to learn more about bike safety and sustainable travel, while bikes are checked for basic safety. We hope this will encourage more children and families to enjoy cycling safely to school.

Please be considerate to our neighbours...

Please take extra care when parking your car or driving near school, especially around drop off and pick up times.

Please only park in designated spaces and avoid blocking our neighbours drives, or parking on the double yellow lines, in Church Avenue.

Our neighbours are very patient and need access to/from their properties at **all** times.

Thank you in advance for your consideration for others. We are sure you want to join us in being good neighbours in our community.

KS2 Trip to London continued

FOUND at All Saints Church – Summer 2026

Do any of our families recognise this precious~ bible?

It was left in church during the Summer. Wed' love to return it. Can you help?

Please contact the school office if it is yours or it belongs to anyone else you know.

LOST and Found

We are amazed at the large amount of clothing that has been collected at the front office—all unnamed or unreadable.

Please can all families ensure that you **name all clothing and items** coming to school so that they can be returned to your child.

This helps our planet and our finances too!

All unclaimed items will be recycled on Monday 5th October.
